

# CAADP IN TANZANIA

Presented at the 7<sup>TH</sup> CARD STEERING  
COMMITTEE, YAOUNDE CAMEROON,  
8<sup>TH</sup> – 9<sup>TH</sup> NOVEMBER 2012

1

## CAADP IN TANZANIA

### CHRONOLOGIES

- In 2009, the CAADP Donor Platform was held in Ethiopia agreed to conduct an assessment in the AU Countries to assess the complementarity of NEPAD-CAADP principles and pillars in their on-going frameworks.
- In March 2010, this assessment was conducted in Tanzania followed by stock taking towards Roundtable discussions and Compact signing (Brochures and Briefs detailing gaps and proposed interventions prepared and are available)

2

- The On 06th July 2010, Roundtable discussions involving all stakeholders – under the chairmanship of the Prime Minister of the United Republic of Hon. Pinda
- on 8th July 2010. The country CAADP - Compact signing was witnessed by H.E.Dr. Jakaya Mrisho Kikwete, the President of the United States of Tanzania

3

- The Plan formulation was preceded by stakeholders' workshops in the Mainland Zones and Zanzibar conducted between January – March 2011
- Technical Review was held from 27th - 31st May 2011
- The Technical Review findings were presented in a stakeholders workshop on 30th May 2011 and agreed Country Report produced in July 2011

05/11/20112

4

- In accordance to the CAADP process, the Final Draft Investment Plan was presented to the Business Meeting on 10TH - 11th November 2011 for technical and political buy-in respectively.
- On 11th November 2011 The TAFSIP was launched for implementation

5

## Organogram of CAADP

- **CAADP - TAFSIP implementation is through programmes and projects operating at all levels in the administrative hierarchy.**
- **Central level**
- **Local Government Authority (LGAs). At district level through DADPs.**

6

## Management and Coordination

- Coordinated through the existing national framework of ASDP (Mainland) and ASP (Zanzibar)
- MAFC is the coordinating Ministry
- The Committee of Directors and Inter-Ministerial Coordinating Committee (ICC) and donor Agriculture Working Group
- Thematic Working Groups

7

## Management and Coordination contn...

- Technical Committee of Directors: For technical matters through the Technical Working Groups (TWG)
- Zonal Coordination for the seven agro-ecological zones
- Development Partners' Agriculture Working Group (A-WG)
- Private Sector and CSO forum

8

## Key Working Members

This is done thru a CAADP Country Team commonly referred to as the CAADP Task force. The working members are drawn from:

- Sector Ministries,
- Private Sector,
- **Development Partners' Agriculture Working Group (A-WG** - WB, USAID, JICA, WFP, IRISH AID and others to join),
- Civil Society
- Farmers. (TFA and MVIWATA) and
- Academic Institutions

9

## Outline of the Investment Plan

- TAFSIP is a ten-year investment plan which maps the investments needed to achieve the CAADP target of 6% annual growth in agricultural sector GDP.
- As a sector wide framework, the URT envisage this target through allocating a minimum 10% of its budget to the agricultural sector, with support of the international community , the private sector and civil society

10

## TAFSIP major investment priority areas

- Irrigation Development, Sustainable Water Resources and Land Use Management (CAADP Pillar I)
- Agricultural Productivity and Commercialisation (CAADP Pillar I)
- Rural Infrastructure, Market Access and Trade (CAADP Pillar II)
- Private Sector Development ( CAADP Pillar II)
- Food and Nutrition Security ( CAADP Pillar III)
- Disaster Management, Climate Change Adaptation and Mitigation ( Cross cutting)
- Policy Reform and Institutional Support (CAADP Pillar IV)

All costed at Tshs 8.3 trillion (USD 5.4 bn),

11

## Implementation of TAFSIP:

**Through Programme Technical Working Groups (P-TWGs), TAFSIP Secretariat and the CAADP Country Team.**

- **TWGs formed around the seven strategic areas of the TAFSIP drawing members from the key institutions implementing the respective thematic programme areas.**

12

## TAFSIP Financing the Plan

- Engaging all – Public, Private, Non State Actors, Civil Societies, Farmers and Development Partners
- Government to allocate at least 10 % of its budget.
- Private sector and other players to join efforts to bridge gaps.

13

## CAADP-TAFSIP and other Synergies

- ASDP
- Feed the Future Project (FtF)- supported by USAID;
- NRDS – Supported by WB, JICA
- SAGCOT (the PP initiatives) complemented by Grow Africa at continental level .
- Bread Basket through AGRA support

14

## Interaction with the NRDS Task Forces to date

- Interaction is there but need strengthening through the established Working Groups

15

## Current Status

- TAFSIP GAFSIP proposal secured USD 22.9 million and Preparation of the Project Appraisal Document is in progress
- The 10% budget allocation: By year 2010/11 we were at 7.9%, in year 2011/12 – at 6.9 % and current year 2012/13 – slightly dropped to 5.3%.
- Agric growth rate: 4% (which is below the national average economic growth of 7% and CAADP target of 6% annually).
- Agric GDP contribution: Currently at 23.7
