

GROUP I
CARD 4TH GENERAL
ASSEMBLY
PRESENTATION BY MALI

Rice Production

Crops	2008	2009	2010	Rate of increase (2010 / 2008)
Rice	1,607,647 T	1,950,805 T	2,308,233 T	43.5%
Maize	740,108 T	1,476,995 T	1,403,576 T	89.6%
Millet	1,364,469 T	1,390,410 T	1,373,342 T	10%
Sorghum	1,048,688 T	1,465,620T	1,256,806 T	19.8%
Fonio	40,793 T	35,480 T	52,346 T	28.3%
Wheat	13,166 T	15,132 T	23,788 T	80.6%

– National Directorate of Statistics and Information)

Priority Areas in SIEM

Mali	Institutional policy	Infrastructure	Human resources capacity	Support/Provisioning	Information / Knowledge
Seed	Decree N°10 – 428/P- RM of 09 /8/ 2010 covering Plant Seed Legislation	-Warehousing	-43 scientists/ technicians	- Seed processing equipment	-Research results -Reports -Bulletins
Technology release to the small farmer base	-Quality control -Agricultural Guidelines Law (LOA)	-4 fertiliser plants (mineral, organic)	-State quality control officers and analysts	- Analytical laboratory equipment	-Research results -Reports -Bulletins
Irrigation / Water management	-SNDI	-Development of 103,310 ha(2008/ 2012)	-Hydro- agricultural developme nt engineers and technicians	-Training in water management and irrigation techniques	-Research results -Reports -Bulletins
Technology release to the small farmer base	-SDDR	-5 Rice Research Stations	-19 rice scientists -24 technicians -1200 extension agents	-Gene conservation equipment	-Research results -Technical factsheets -Official Variety Catalogue

Priority Areas in SIEM (more)

Mali	Institutional policy	Infrastructure	Human resources capacity	Support/Provisioning	Information / Knowledge
Rice quality improvement	-LOA	- 3ricemills. - 7smallricemills	-Scientists, -Producers; Economicoperators	-Purchase of post-harvestequipment	-Technicalfactsheets -Catalogue of international standards
Market access	-Malian commercial policy (ECOWAS and WAEMU treaties)	-Warehouses (producers, OPAM)	Processors- Import & Export Traders	-Stakeholdercapacity building	-OMA information bulletins
Access to credit	-LOA	-Banks,SFD, FNDA	-Bank and microfinancesystems,Econ.ops	-Capacity building producer organisations	-Information bulletins on access to credit
General policy tools	-LOA, SDDR,SNDI, -PDA -PFA		-MA,MEP, MEA, CSA, MEF and MCI networks	- Financing	Diffusion of the regulations in acts and decrees

List of priority interventions & Alignment with the National Agricultural Development Programme

Priority projects	PNISA
Purchase seed quality testing equipment	Component 1: Capacity building Sub-component: <i>Capacity building</i> State structure (Public and semi-public) Measure: Working framework (logistics, equipment, infrastructure, NTIC, etc.)
Purchase laboratory equipment for fertiliser testing	Component 1: Capacity building Sub-component: <i>Capacity building</i> State structure (Public and semi-public) Measure: Working framework (logistics, equipment, infrastructure, NTIC, etc.)
Development of 50,000 hectares across all rice ecologies. (10,000 ha each year from 2013 to 2018)	Component 2: Investment Sub-component: Agricultural developments and infrastructure Measure: Hydro-agricultural developments
Purchase of equipment for gene conservation (cold chamber, freezers etc.)	Component 1: Capacity building Sub-component: <i>Capacity building</i> State structure (Public and semi-public) Measure: Working framework (logistics, equipment, infrastructure, NTIC, etc.)
Restore the Experimental Centre for Agricultural Machinery into working order	Component 2: Investment Sub-component: Agricultural developments and infrastructure Measure: Rehabilitation, upkeep, maintenance and safeguarding of infrastructure
Install post-harvest equipment (micro rice mills, processing unit etc.)	Component 2: Investment Sub-component: <i>Agricultural equipment</i> Measure: Self-propelled agricultural equipment
Improved access by private traders to credit for marketing rice	Component 2: Investment Sub-component: <i>Financing mechanism for the agricultural sector</i> Measure: Credit access mechanisms (credit products, guarantees, production prepayments...).

Liste des Personages clefs

Nom	Fonction	Organisation
Fousseyni MARIKO	National Director	Statistics and Planning Unit for the Rural Development Sector (CPS/SDR)
Daniel S. KELEMA	National Director	National Agricultural Directorate (DNA)
Bino TEME	Director General	Institute of Rural Economy (IER)
Bakary TOGOLA	Chairman	Permanent Assembly of the Agricultural Councils of Mali (APCAM)
Amadou Boye COULIBALY	Chairman Director General	Office du Niger (ON)
Babougou TRAORE	Director General	Office Riz Ségou (ORS)
Zakaria CAMARA	Director General	Office Riz Mopti (ORM)
Seydou Bazié TOURÉ	Director General	Baguinéda Irrigation Scheme Office (OPIB)
Ousmane MAÏGA	Director General	Sélingué Rural Development Office (ODRS)
Modibo Keita	Privatesector	Grand Distributeur Céréaliier du Mali (GDCM)
Abou Woro Traoré	Privatesector	Riceproducer

Enabling actions: List of participants Day 5

Participating Organisations on Day 5 of the meeting
Institute of Rural Economy/ <i>Institut d'Economie Rural (IER)</i>
Rice Technical Initiative Unit/ <i>Cellule Technique Initiative Riz</i>
Statistics and Planning Unit for the Rural Development Sector/ <i>Cellule de Planification et de Statistique du Secteur du Développement Rural (CPS/SDR)</i>
National Agriculture Directorate/ <i>Direction Nationale de l'Agriculture (DNA)</i>
Plant Protection Office/ <i>Office de Protection des Végétaux (OPV)</i>
National Agricultural Engineering Directorate/ <i>Direction Nationale du Génie Rural (DNGR)</i>
National Seed Service/ <i>Service Semencier National (SSN)</i>
National Trade and Competition Directorate/ <i>Direction National du Commerce et de la Concurrence (DNCC)</i>
JICA
National Rice Producers' Platform/ <i>PlateForme Nationale des Producteurs de riz</i>
Agricultural Market Observatory/ <i>Observatoire du Marché Agricole (OMA)</i>

Enabling Actions: Other efforts by the Government CAADDP & Development Partners

Date	Action taken (meetings etc.)
20 August 2010	Decision N° 10-00237/MA-SG on Nomination of members to the NRDS Steering and Development Committee.
6 July 2011	NRDS Review document.
25 July 2011	Joint Mali-Japan Commission (NRDS Progress Presentation).
21 and 22 November 2011	NRDS Inauguration Workshop.

Success ?

Priority project	Adoption by the government / CAADP / DPs

Issues

- **In relation to the roll-out of the Task Force workweeks:**
 - JICA support allowed the setting-up costs to be covered.
 - However, the failure to cover the travel expenses (fuel, lodging) of some up-country delegates influenced the tempo of the meetings.

List of Abbreviations

Abbreviation	Designation
PNISA	National Investment Programme for the Agricultural Sector
CAADP	ComprehensiveAfrica Agricultural Development Programme
NIDS	National Irrigation DevelopmentStrategy
AA	Agriculture Act
PGA	Government Planning Programme
OP	Producers' organisation
AEE	Drainage, environment and water
