

CARD First Group County

GM4 Presentation

(Mozambique)

Rice production (Ton)

Crop	2008/09	2009/10	2010/11	Growth (‘10 / ‘08)-%
Rice	206,385.0	259,795.0	257,527.0	24.8
Maize	1,931,528.0	2,089,889.0	2,166,054.0	12.1
Cassava	9,185,554.0	10,661,499.0	10,661,499.0	16.1
Wheat	0.0	22,078.0	22,570.0	#DIV/0!
Potato	0.0	178,526.0	190,000.0	#DIV/0!
Beans	257,381.0	263,769.0	274,226.0	6.5

Priorities Areas on SIEM

Mozambique	Policy / institutional	Infrastructure	Human resource capacity	Provision / support	Information / knowledge	Unclassified
Seed	Insufficiently funded	Sufficiently funded	Insufficiently funded	Priority 1.	Insufficiently funded	
Fertilizer			Lacks funding	Priority 2.		
Irrigation / water management	Insufficiently funded	Priority 3.	Lacks funding		Lacks funding	Priority 4.
On-farm technology dissemination			Insufficiently funded			
Mechanization	Lacks funding		Lacks funding	Priority 5.	Lacks funding	
Quality improvement	Lacks funding		Lacks funding	Lacks funding	Priority 6.	Lacks funding
Access to market	Priority 7.		Insufficiently funded		Lacks funding	
Access to credit	Priority 8.		Lacks funding	Lacks funding		
Overall policy tools	Sufficiently funded					
Unclassified	Insufficiently funded		Insufficiently funded		Lacks funding	

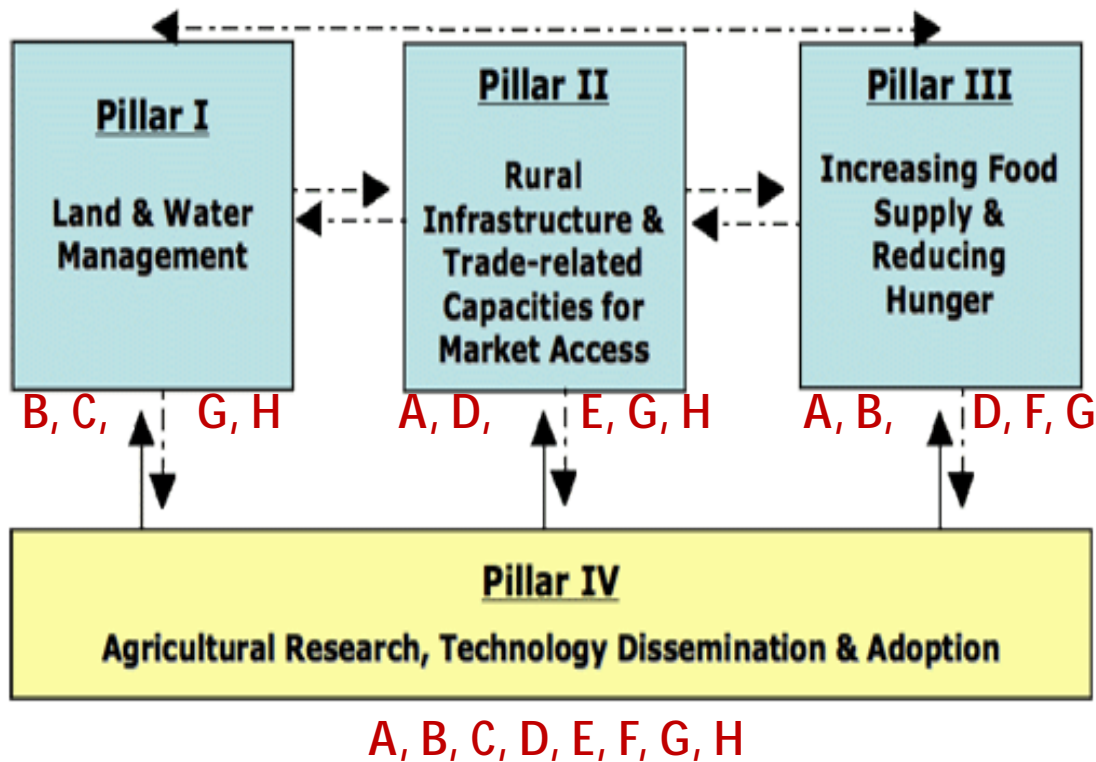

Insufficiently funded
 Sufficiently funded
 Lacks funding

Priority Areas

A. Input availability	Improve access and use of improved seed varieties and other inputs, to overcome cost problems. Better and more affordable access to credit.
B. Agronomy	Improve crop management, plant protection, weed management and land preparation
C. Irrigation and water management	Rehabilitation of existing irrigation and irrigation expansion, with emphasis on human capacity building. Development of newly irrigated areas, ownership, maintenance and responsibility of user associations.
D. Post harvest handling	Enhance availability of pre and post-harvesting equipment, storage practises, improved milling standards and access, rice grading, packaging, branding
E. Marketing	Promotion of required marketing infrastructure, market access, trading network, competitiveness of locally produced rice, quality promotion
F. Utilization	Promotion of utilization of rice products and by-products within rural communities
G. Extension	Strengthening the extension services for rice to rural farmers, developing farmer agronomy knowledge, training, demonstrations
H. Investment	Wider awareness creation for expanded investment on seed multiplication, irrigation, pre and post-harvest, alongside investment in human capacity all along the value chain

Alignment of NRDS with CAADP Pillars

CAADP – Fostering Growth in African Agriculture

Pillars of NRDS

A. Input availability
B. Agronomy
C. Irrigation and Water management
D. Post harvest handling
E. Marketing
F. Utilization
G. Extension
H. Investment

List of Champions

Name	Role	Organisation
MINAG	Facilitation and coordination of activities of production of rice in the country in collaboration with other sectors of production, including human resources	Ministry of Agriculture
MF	Facilitates the disbursement of credit and investment for projects	Ministry of Finance
MIA	Ensure the availability of quality seed bulkhead	Mozambique Seed Producer Association (APROSELMIA)
SEMOC	Ensure the availability of quality seed bulkhead	Mozambique Seed Company Service (SEMOC)
TB	Guarantee the bank loan to farmers	LandTerra Bank
SB	Guarantee the bank loan to farmers	Standard Bank
FAO	Technical support and agricultural inputs	NGO
AfricaRice	Assist with development of rice technology	CGIAR(Private)
IRRI and IITA	Assist with development of rice technology investigation of improved varieties of rice	CGIAR (NGO)
Agrifocus	Agrochemical dealer	Private
CEPAGRI	Center for Agricultural Promotion	MINAG
FDA	Agricultural Development Fund	MINAG

Actions Taken by the TF in relation to NRDS: (Meeting with full TF members)

Actions	Description of the Actions taken (meeting etc)	Responsibilities
Development of concept notes – June 2011	Group work with consultant to prepare concept notes	JICA, Ministry of Agriculture
Regional meeting - June 2011	To prepare for National Rice Meeting	JICA, Ministry of Agriculture
National rice meeting - July 2011	Harmonization of national rice strategies, review of concept notes, review of past year activities and plans for 2011/2012 season	JICA, Ministry of Agriculture

7. List of Abbreviations

Abbreviation	Full Name
IRRI and IITA	International Rice research Institute
SEMOC	Seeds of Mozambique
CEPAGRI	Center for Promotion of Agriculture
FDA	Fund for Agricultural Development
DNSA	National Directorate of Agricultural Services
EA	Agrarian economy
DNEA	National Directorate of Agricultural Extension
IIAM	Agricultural research Institute of Mozambique Instituto Investigacao Agraria de Mocambique
JICA	Japan International Cooperation Agency

MUITO OBRIGADO!
THANK YOU!
