CARD

COALITION for AFRICAN
RICE DEVELOPMENT

Framework of the CARD 2nd Phase

<Strategic Approaches>

- **RICE Approach**

Resilience: to assert the stability in rice production in the face of climate change and the rising population growth

Industrialization: to promote the engagement of rural and urban enterprises in production, processing, value addition and marketing of the locally produced rice

Competitiveness: to enhance the quality and value of the locally produced rice and thereby substitute importation

Empowerment: to enable the relevant stakeholders (including women and youth) in harnessing the socio-economic rewards of rice farming

Framework of the CARD 2nd Phase

<Strategic Approaches>

- **Continuous support as the 1st phase , especially in formulation and implementation of rice related strategies (e.g. NRDS, Seed Strategy, Mechanization Strategy) – But more emphasis on “implementation” especially in the original member countries**
- **Emphasis on Policy Advocacy
(Not only at the country level, but also at the Regional and Sub-Regional Level)**
