MINISTRY OF AGRICULTURE

# OVERALL INDICATOR

# IDENTIFIED PRIORITY AREAS AND CONCEPT NOTES

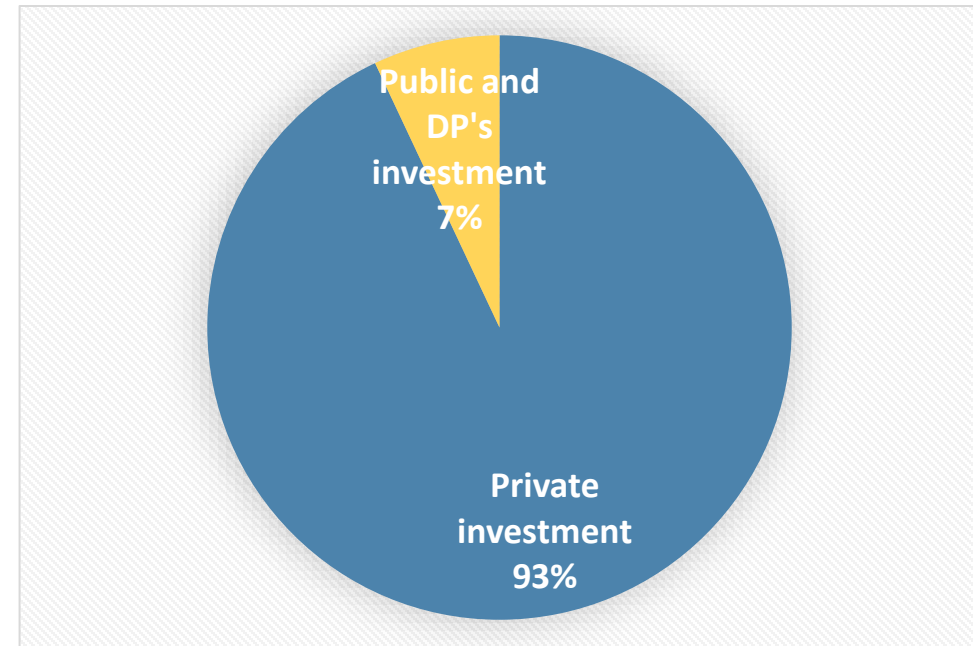

ግብርና ሚኒስቴር  
MINISTRY OF AGRICULTURE

- **National Rice Flagship Program** (NRFP) developed in 2022 has identified three major components
- **Component I:**
  - Increasing rice production and productivity
- **Component II:**
  - Rice processing and market development
- **Component III:**
  - Coordination Capacity development, Cross-cutting themes, and MEL

# NRFP Investment Costs

- The NRFP is estimated to cost **USD 312,416,133** in the five years (2023-2027) of its implementation.
- Overall, the costs are shared between the private and public sectors.
- At the end of the 5-year implementation period
  - **93%** the private sector
  - **7%** of the public investments (about 22 Million USD)

# NEW PROJECTS AFTER PHASE 2 STARTED

Title	<b>Project for Capacity Development to Transfer the Technology for Increasing Rice Production (EthioRice2)</b>
Period	September 2021- September 2026
Target area	Amhara Region (Activities of Output 4 will include other potential regions)
Scheme	Technical Assistance
Partners	JICA
Budget	USD 6,000,000
