Progress of CARD Activities since GM9

Progress on NRDS Processes Elaboration Phase

<NRDS>

- Validation Workshop was done in Jan. 2023 involving key stakeholders and top Ministry of Agriculture and Food Security officials for approval.

<Concept Notes>

- Elaboration Workshop was done in Feb. 2024 involving NRDS Task Force Members and key stakeholders in the rice sector including the private sector.
- Engagement with some development partners (GIZ, UNDP, WFP, AfDB & World Bank) was done prior to the Concept Notes Development Workshop in Feb. 2024 with CARD Regional Consultant

Progress on NRDS Monitoring Phase

<Monitoring Data Setting>

- Monitoring indicators were identified during hybrid NRDS M&E Kick off meeting workshop for elaboration of NRDS Concept Notes in Feb. 2024

<ARSRM and Implementation >

- Preparation for the 1st ARSRM and Investment Round Table proposed for Nov. 2025 is ongoing in collaboration with Sierra Leone Rice Observatory (SLeRO)

Implementation of NRDS and Lesson shared

Overview of major project(s) started since GM 9

Partner	Period	Project Name	Amount
AfDB, OPEC	2026- 2031	SAPZ – Sierra Leone Rice Special Agro-Industrial Processing Zone Project	75 million USD

Good example and Challenge in terms of implementing the NRDS

<Challenge>

- Limited investment in the rice sector by development partners and the private sector.
- Funding skewed towards some thematic areas thus crippling progress in other critical areas.

<Good Example>

- NRDS clearly aligned with government national priorities for rice sector development – Feed Salone Strategy (2023 – 2028)
- Value chain approach considered in the development of new projects
- Innovative Platform for rice sector development in place (SLeRO)

Action plans between now and the end of 2026

Action 1: Capitalization of Sierra Leone Rice Investment Plan

- Engage ERO, ECOWAS and the Ministry of Finance to ensure fulfilment of donor pledges during the ARSRM and Investment Round Table in 2025 for implementation of the Rice Investment Plan.

Action 2: Organize Annual Rice Sector Review Meeting (ARSRM)

- Share Monitoring and Evaluation Framework with key stakeholders including the private sector to inform data collection at the start of 2026.
- Hold NRDS Task Force preparatory meeting for ARSRM
- Conduct ARSRM
